

23rd Annual International Vintage Dodge Power Wagon Rally

June 9-12, 2010 in Fairfield, Iowa

Sponsored by Vintage Power Wagons

The Vintage Power Wagon Rally was started to bring owners of Dodge trucks together. It's evolved from a large truck show with numerous events into a family reunion. People say, "Come for the trucks, come back for the people." It's always good to see Dodge owners and enthusiasts from all over the country take the time to spend four days enjoying themselves.
